

MOLESKINE PAPER GUIDE

The distinctive ivory-colored paper used by Moleskine is delicately calibrated to provide a warm and welcoming canvas that accentuates every word and sketch. Smooth to the touch, its deliberate balance of texture and body creates a particularly clean yet soothing sound when you leaf through your notes. Moleskine offers the following range of paper weights to meet different creative needs and adapt to a variety of writing and artistic tools:

70 G/M² - 47 LB

The standard acid-free, FSC®-certified, ivory-colored paper used in most Moleskine notebooks. Made from pigmented pulp, it is perfect for all dry media and Moleskine pens and pencils.
